## NEWS RELEASE

**January 15, 2019**

**Emergency Assistance Program grant for low income homeowners and landlords that rent to low income families now available.**

**Applications being accepted for damages sustained from August 27, 2018 to September 1, 2018**

Residents in Ozaukee County whose homes were damaged by the August 27, 2018 to September 1, 2018 destructive storms and flooding may now apply for recovery funds through the Southern Housing Region Emergency Assistance Program.

The county was recently awarded approximately \$800,000 in Community Development Block Grant-Emergency Assistance Program funding to provide aid to low-to-moderate-income households affected by the flooding.

Funds are granted to applicants and do not need to be paid back. Applicants may only receive Emergency Assistance Program funding once, however, and they will not qualify for the program again if their homes are damaged by future flooding.

Funds may be used to reimburse eligible applicants for work already completed and funds are available for those who have work that needs to be done. Applicants' homes will be visited to see that repairs have been made or that there is still flood-related damage in need of repair.

Homeowners and landlords who rent to low-to-moderate-income families may apply. See table below.
