PARKS AND RECREATION BOARD
Meetings of the Parks and Recreation Board are held on the Wednesday after the third Monday of each month at the Municipal Services Facility, 675 North Green Bay Road. The meetings are open to the public and the Board welcomes citizens to attend and voice their opinions.

BOARD MEMBERS:
Meg Canepa, Chairperson
Lisa Uribe Harbeck, Village Trustee
Tom Krueger, Village Trustee
Jim Miller, Village Trustee
Steve Nauta, At Large
Mark Slaminski, At Large
Joanne Wolf, Senior Representative
ONLINE REGISTRATION
You can view activities prior to registration, review program details, check available openings, and register online from the comfort of your home, 24 hours a day, 7 days a week.

If you have registered with us in the past, your account is already set up. Please follow these steps to access your account:

1. Go to graftonrecreation.village.grafton.wi.us
2. Click “Sign In”, in the upper right corner of the page
3. Click “Forgot your password?”
4. Enter your email address
5. Click “Reset password”
6. An email will be sent with a link to reset your password

If you are new to Grafton Parks and Recreation:

1. Follow steps 1 and 2 above.
2. Click on “Create a New Account” and follow the instructions
3. Once your new account has been approved (1-2 business days), you will receive a confirmation email
4. Please be sure to make note of the email address and password, as these will be needed to access your account in the future

If you have any questions, or are in need of assistance, please call our office at 262-375-5310.

24 HOUR DROP BOX
A 24 hour drop box is located just outside the main entrance of the Municipal Services Facility, 675 N. Green Bay Road. Drop box registrations must include registration form (available at www.QualityLifeGrafton.com) and payment.

MAIL
Please mail your completed registration form with payment to:

Village of Grafton
Parks and Recreation Department
675 North Green Bay Road
Grafton, WI 53024

PLEASE REGISTER EARLY TO AVOID PROGRAM CANCELLATIONS
Many classes or programs require a minimum number of participants to be held. The Parks and Recreation Department may cancel a program or activity if the minimums are not met 5 business days prior to the start date. Participants will receive a full refund or credit on account.

*Please register early!

REGISTRATION INFORMATION

REGISTRATION
Assume you are registered in all the programs you have signed up for. The Parks and Recreation Department will only notify you if a program is full or canceled. If you would like to receive an email confirmation, please make note on the registration form.
*Registrations will not be processed without payment. A $30 fee will be assessed for any checks returned. Refunds for unsuccessful registrations will be issued within 21 days of the start of a program.

RESIDENCY
Residents are persons who pay their property taxes directly to the Village of Grafton. Resident fee status applies to Village of Grafton residents for all programs and facility usage. Town of Grafton residents pay their taxes to the Town of Grafton. These tax dollars are not used to subsidize Grafton Parks and Recreation programming; therefore, Town of Grafton residents are considered non-residents when registering for all Parks and Recreation Department programs.

CLASS SIZE
Programs are designed according to an instructor/student ratio and at an age level that will benefit each student. Certain programs have class size limits. The decision to exceed these limits is at the discretion of the Program Director and the Parks and Recreation Director. If a chosen program has reached capacity, your name will be placed on a waiting list. You will be notified by phone or email of any openings that may become available.

WAITING LIST
A waiting list will be started after a program has reached the maximum number of participants. Payment is not accepted and participation is not guaranteed at this time. If a vacancy occurs, participants will be called in the order of registration and full payment will need to be made prior to attending the program.

AGE GUIDELINES
All participants must meet the minimum age/grade requirements by the last day of class. All age requirements are set to benefit children by providing a safe and uniform learning environment. Grade - Grade level of the student as of September 1, 2020.

ACCIDENTS AND INJURIES
The Parks and Recreation Department does not provide medical insurance coverage for injuries suffered while participating in Department sponsored activities and events. Each participant must assume responsibility for all medical bills incurred from personal injury while participating in a Department sponsored activity or event.

CONCUSSION FORM
The Grafton Parks and Recreation Department requires all participants to review the Concussion Awareness Information on page 41 prior to registration. Certain programs will require signed concussion forms prior to participation. If registering online, please be sure to read and check the waiver box. If registering by mail or drop box, please check the concussion form box and sign to confirm you have read the information sheet.

INCLEMENT WEATHER?
Unsure if a class will be canceled due to bad weather? Here are a few ways to stay informed:
1. Like us on Facebook
2. Follow us on Twitter
3. Follow us on Instagram

PHOTOGRAPHY POLICY
During programs and events, we will periodically take pictures for publicity. By participating in events/programs you are giving us permission to use your photo in media publications. If you do not want your picture taken or used in publications or advertisements, please let us know immediately.

FIND AN ERROR?
The Parks and Recreation staff has made every effort to prepare this recreation activity guide as accurately as possible. However, errors may occur in days, times, registration requirements or fees in our brochure. When such an error occurs, our staff will do everything possible to correct the situation. We thank you for your patience and understanding.
PROGRAM INFORMATION/POLICIES

PROGRAM REFUND POLICY
1. Unconditional refunds will be allowed 2 days prior to the start of a program. A $10.00 fee will be retained as an administrative charge. Registrations paid by credit card will be credited back to the credit card less any applicable administrative fee. To avoid the administrative fee, you may apply the refund as a credit to your account to be used toward a future registration.
2. Illness and/or injury refunds will be allowed after the start and before completion of 50 percent of a program. Fifty percent of the program will be assessed as an administrative charge for refunds meeting this criteria.
3. Refunds will not be allowed after completion of 50 percent of a program.
4. Full refunds will be given for Department canceled programs due to insufficient registration, facility conflicts.

HEAT INDEX POLICY
The Parks and Recreation Department may require that outdoor activities be canceled when excess heat and/or humidity are dangerous to program participants, staff and spectators. When the National Weather Service (www.nws.noaa.gov) issues a Heat Advisory or Warning for our area, the following guidelines will be implemented:

Heat Index of 105 or above
All outdoor youth and adult activities will be canceled!

It is the responsibility of the parent/guardian to make the ultimate decision as to the participation of their child when heat may be a factor, taking into consideration the age and physical condition of their child. Please provide proper sunscreen prior to programs with limited shade protection. The Parks and Recreation Department will make every effort to reschedule classes canceled due to inclement weather, provided the instructor is available. To learn if a program has been canceled; Like us on Facebook, follow us on Twitter @GraftonParks, or call the Parks and Recreation Department at 262-375-5310.

FACILITY USAGE REFUND POLICY
1. Unconditional refunds will be allowed 30 days prior to a park/facility reservation date. A $10.00 fee will be retained as an administrative charge.
2. For park cancellations less than 30 days prior to a park/facility reservation date, 50 percent of the park fee will be retained as an administrative charge.
3. Refunds will not be granted on or after a park facility reservation date.
4. Full refunds will be given if the Village of Grafton cancels a park reservation date.
   (i.e., closed due to repair or maintenance.)

FAMILY AQUATIC CENTER
There will be days when the pool will be opened late, closed early, or not opened at all due to inclement weather. Conditions that affect pool closing:
1. Air temperature 64 degrees or below
2. Inclement weather (i.e., rain, electrical storms, tornado)
3. Poor attendance (less than 10 swimmers after 1 hour of opening)
4. Manager or Assistant Manager will determine if unsafe conditions exist. Rain checks will be issued to patrons if the pool is closed before less than half of the swim time has elapsed.

Swim Diapers: To prevent possible pool closures, we require that all children not fully potty-trained wear swim diapers. If you should forget to bring a swim diaper, assorted sizes are available for purchase at the front counter.

Children Supervision: All children age 8 years and younger must be directly supervised by someone age 16 and older.

Warm Weather Bonus: If the temperature reads 90 degrees at 5:00 p.m., the Family Aquatic Center will be open to Season Pass Holders and Ozaukee SuperPass Holders from 8:00 - 10:00 p.m. *Applies only to dates the Family Aquatic Center is not already reserved for a private rental.

The Grafton Family Aquatic Center is committed to providing access and reasonable accommodation for individuals with disabilities. To request reasonable accommodation, contact the Parks and Recreation Department at 262-375-5310 or email jsafstrom@village.grafton.wi.us.
OPEN GYM

Children and adults are encouraged to play pick-up sports such as basketball or volleyball, participate in fitness stations or run laps. Supervision is provided; however, parents are encouraged to stay and play with their children. Children ages 11 and under must be accompanied by a parent or guardian.

Sundays, March 1 - April 26
(No open gym March 22, April 12)
3:00 - 5:00 p.m.
Kennedy Elementary School Gym
1629 11th Avenue
$3.00 per person/per day

YOUTH ACTIVITIES

AFTER SCHOOL STEAM CLASSES
Step into the STEAM Zone (Science, Technology, Engineering, Art and Math) and fuel the next Generation of Innovators by sampling some of the newest technology programs. These classes focus on teaching the fundamentals of engineering using LEGO technic sets. Each class will build upon the student’s skill level as they learn about simple machines, levers, wheels/axels, gears, ratchet/drive trains and motorized systems. Projects can include building: drawbridges, motorized cars, amusement park rides, cranes, catapults and much more! This class has been chosen #1 by students time and time again - join in on the fun while you explore engineering concepts that you can use at home for your own projects. These classes are guaranteed 100% FUN! Pre-registration is required. For children ages 5-10.

Location: Woodview Elementary School, Art Room
Day: Monday

LEARN TO COOK
Does your child like to eat big meals, but need some help in the kitchen? Participants will learn how to cook a few basics that can be enjoyed at anytime.

Participants in the March class will create an Italian dinner of spaghetti, homemade meatballs, garlic cheese bread and a dessert.

Participants in the June class will make a delicious breakfast of pancakes, scrambled eggs with sausage and a fruit side.

Participants in the July class will make a delicious lunch of pizza quesadillas with a fruit salad.

Participants in the August class will create a delicious dinner of mini chicken parmesan sliders with salad and pudding dessert. For children ages 12-17. Instructed by Mark Slaminski.

Location: Multipurpose Senior Center
Day: Saturday

LEGO WEDO ROBOTIC ENGINEERING
Welcome to the world of LEGO Engineering combined with basic coding skills! Students will build exciting LEGO models featuring working motors and sensors which they will combine with coding skills on the computer to make their projects come to life. This user friendly icon based programming, along with LEGO engineering skills will allow students to control what their creations can do. Alligators, lions, monkeys, puppets, airplanes, swing rides and much more are waiting for you to get this exciting class started!

CSI CRIME SCENE INVESTIGATION
Get ready to become part of the biggest crime scene of the century! Did you commit the crime or the friend sitting next to you? It is up to you to solve the crime using CSI techniques used by the experts. Think lie detectors, motion detectors, surveillance cameras, digital microscopes to examine fingerprints, hair and powder samples left at the crime scene and so much more. The last class will end with a class participating crime scene activity. Which one of your classmates is the suspect in the case? Possibly, maybe...even you! Past students have taken this class several times as it is always changing to include the students’ personalities and interests!

GRAFTON DAZZLERS
Join our new youth pom team the Grafton Dazzlers. This program is designed to teach important technique and skills needed for the middle school and high school dance teams. This program will allow your child to learn new dances, meet new friends and experience what it is to be on a dance TEAM. Participants will perform at the Annual Corn Roast along with the Grafton High School Dance Team. Participants will receive a Grafton Dazzlers team t-shirt and poms. Please indicate t-shirt size on Registration Form. Instructed by Grafton High School Dance Team.

Location: Kennedy Elementary School Gym
Days: Wednesday

**LEGO Wedo Robotic Engineering**

Welcome to the world of LEGO Engineering combined with basic coding skills! Students will build exciting LEGO models featuring working motors and sensors which they will combine with coding skills on the computer to make their projects come to life! This user-friendly icon based programming along with LEGO engineering skills will allow students to control what their creations can do. Alligators, lions, monkeys, puppets, airplanes, swing rides and much more are waiting for you to bring them to life!

**Legos Cars, Catapults and Bridges**

This class focuses on teaching the fundamentals of engineering using LEGO technic sets. Each session will build upon the student’s skill level as they learn about simple machines, levers, wheels/axels, gears, ratchet/drive trains and motorized systems. Projects can include building drawbridges, motorized cars, amusement park rides, cranes, catapults and much more! This class has been chosen #1 by students time and time again. Join in on the fun while you explore engineering concepts that you can use at home for your own projects.

YOUTH AND ADULT ACTIVITIES

SPORTS STRENGTH TRAINING - AGES 12+
This athlete based strength training can accommodate athletes new to resistance training, teaching them basic movement patterns and form; or the most advanced athletes looking for a new challenge to develop their explosiveness and overall strength. Participants in this class will develop a foundation of functional movement patterns, injury resilience, and self-confidence; which can translate into sports or lifelong fitness. Coaches will teach key components to lower body, upper body, and core-related movements, prescribing the right exercise for each athlete as they progress along the way, improving coordination and athleticism.

TOTAL PERFORMANCE SPEED AND AGILITY - AGES 12-17
This program uses our signature speed training methods and cutting-edge coaching techniques from Certified Parisi Performance Coaches to produce maximum improvements in running form, lateral agility, ability to decelerate, self-confidence and much more. This program builds a physical foundation and refines skills in order to maximize speed, power, aerobic and/or sport specific training. Members will also learn the skills and conditioning necessary to help prevent injuries through various warm-ups, exercises and techniques.

YOUTH GAME TIME! - AGES 7-11
This program is about having physical fun and getting fit. It utilizes the most up-to-date research to build a young child’s physical foundation, improve their coordination and self-esteem. Our signature training methods are also incorporated, but all within a fun and friendly environment. Parisi Game Time uses fun and exciting modalities like medicine balls, resistance bands, partner body-weight exercises, ladders, plyometrics, yoga and games in a fun and healthy atmosphere.

ADULT GROUP TRAINING
Are you looking for a high intensity, cardio, and performance based symphony of movement? Try one of our Team Training classes! This will be the best, brightest and most challenging part of your day! Be led by the best coaches in Ozaukee County through a fat burning, muscle building 50 minute workout. If your goals are to lose weight, get stronger, move better, or just wake up with more energy, come join us at Form and Fitness.

Form and Fitness Health Club is offering the above classes at their facility, 2020 Cheyenne Court, Grafton.

For times and pricing of youth classes, please contact Erik Grimm at 414-840-3745 or egrimm13@gmail.com.

For times and pricing of the adult class, please contact Ryan Murphy at 414-640-6458 or rmurphy731@gmail.com.
ADULT ACTIVITIES

WINE & DEZIGN
Invite your friends for a fun night out at Glaze Paint! Create a custom platter using a word of your choice and applying a dot technique, using colors of your choosing. Fee includes project, use of paints and materials, class instruction and one alcoholic beverage.

Location: Glaze Paint, 149 Green Bay Road, Thiensville
Days: Wednesday

ADULT ACTIVITIES

YIN YOGA
Yin yoga works deeply into our body with passive, longer held poses. Yin yoga targets the deepest tissues of the body, our connective tissues - ligaments, joints, bones and the deep fascia networks of the body, rather than the muscles (which are the physical focus of Yang or Vinyasa flow practices). Energetically, Yin yoga improves the energy flow, enhancing the flow of prana/oxygen in the organs. Yin yoga offers wonderful emotional and mental health benefits. Please bring a mat. Instructed by Christine Schulz.

Location: Robert P. Zaun Pavilion, Lime Kiln Park
Days: Wednesday

HATHA YOGA
This basic/level 1 class is for anyone from beginner, intermediate through advanced. This practice includes correct positioning in postures, strengthening your body and focusing on using your breath to calm your mind with each move and transition. Even if you have practiced yoga before, this class is sure to challenge and tone the body week after week by building up endurance to hold positions longer and deepening stretches. It’s sure to be a great way to wrap up any day! Please bring a mat and blanket or towel. Instructed by Christine Schulz.

SURVEY MONKEY
In an effort to offer the highest quality recreational programming, the Parks and Recreation Department would appreciate your review of the program you or your child participated in. Please visit www.QualityLifeGrafton.com/surveys to participate.
FAMILY ACTIVITIES

The Village of Grafton is proud to be a Healthy River Community. We are excited to partner with Riveredge Nature Center to offer these Community Rivers Programs.

KAYAK THE MILWAUKEE RIVER
Participants will join a Riveredge Adventure Guide for an unforgettable evening of paddling experience that will begin with safety and end with a splash! Paddling takes a mix of knowledge and skills! The kayaks are single person and all participants need to be 10+ in age. Borrow or bring your own kayak. Kayaks are available to the first 12 registered participants. Pre-registration required. Space is limited.

**Location:** Veterans Memorial Park  
**Day:** Friday

FAMILY FISHING FUN
Spend the afternoon on the banks of the Milwaukee River with a pole in your hand and hopefully a few bites on your line! Learn how to tie a hook on your line, bait your hook, and safely cast your line into the water. With the assistance of a Riveredge Naturalist, we will try to catch and identify each fish before releasing them back into their home; The Milwaukee River. Riveredge will have a limited number of fishing poles available (approximately 14) or feel free to bring your own. Bait is provided. Children ages 8 and under must be accompanied by an adult.  
No registration required.

PRIVATE SWIM LESSONS
The following policy has been established to allow youth with a need for private instruction an opportunity to work directly with a list of recommended instructors:

1. A Private Swim Instructor List may be picked up at the Family Aquatic Center beginning June 10.
2. Listed individuals will be allowed to schedule private instruction at the Family Aquatic Center during open swim hours only.
3. Each individual receiving a Private Swim Instructor List must read and sign the waiver form.

DAY CARE VISITORS
All Day Care visitors must abide by the following standards regarding the ratio of children to care giver. Caregivers must directly supervise their children through age 7. Please contact the Family Aquatic Center prior to visiting, 262-375-5309.

August 6
Season Pass Holder Appreciation Day

August 30
Doggy Paddle Day
**Swim Lesson Information**

The Grafton Parks and Recreation Department is excited to announce we have revised our swim lesson program!

This new program begins with Parent Tot and continues through Introduction to Lifeguarding. Our program helps swimmers of all ages and varying abilities develop their swimming and water safety skills. Please review the class descriptions below for appropriate child placement.

**All Swim Lessons are held at the Grafton Family Aquatic Center.**

**Parent Tot** - Ages birth to 4 years -
This class is designed to help young children (with guidance of a parent) become comfortable and confident in the water through songs, games, toys. Children will be introduced to basic swimming skills including: kicking, floating, and blowing bubbles. Children are expected to wear a swim diaper if needed.

**Splash Into Swimming** - (Previously Bubbles/Underwater Bubbles) Students in this class must be 3 years old. The ultimate goal of this beginner level class is for children to become comfortable and confident in the water without a parent. Participants will learn the basics of water safety, practice swimming with a lifejacket, and be introduced to basic swimming skills such as: kicking on front and back with kickboard, front and back floats, and submerging their head fully underwater.

**Level 1 - Introduction to Water Skills** - (Previously Pre-Red/Red) Students must have passed Splash into Swimming or be 4 years old. This class will help students to swim more independently. Skills include: kicking with kickboard on front and back, front and back floats, and proper entry techniques.

**Level 2 - Fundamentals of Aquatic Skills** - (Previously Orange) Students must have passed Level 1. This class will help increase students’ independence in the water and introduce complete strokes. Skills include: front crawl (without kickboard), back crawl, front and back glides, arm circles for front crawl, submerging head underwater multiple times in a row, jumping into the pool independently, and basic water safety skills.

**Level 3 - Stroke Development** - (Previously Yellow) Students must have passed Level 2. This class will build upon the strokes learned in previous levels and increase the distance students can swim. Skills include proper breathing technique, back crawl, glides, floats, treading in deep water, jumping into deep water, backstroke, breast stroke kick, and basic water survival skills.

**Level 4 - Stroke Improvement** - (Previously Green) Students must have passed Level 3. This class will challenge students to swim longer distances and fine tune previously learned strokes. Skills include: front and back crawl, elementary backstroke, dolphin kick, treading water, surface dives, kneeling dives, and water survival skills.

**Level 5 - Stroke Refinement** - (Previously Blue) Students must have passed Level 4. This class will focus on mastering the strokes and improving form. Skills include: front and back crawl, backstroke, breast stroke, treading water, kneeling and standing dives, retrieving an object from well, introducing butterfly, and water survival skills.

**Level 6 - Swimming and Skill Proficiency** - (Previously Indigo) Must have passed Level 5. This class will focus on building students’ endurance to swim longer distances by refining their front and back crawl, breast stroke and butterfly. They will also learn more advanced aquatic water survival skills. To pass this level, students will need to swim 250 yards continuously.

**Introduction to Lifeguarding** - Must have passed Level 6 and be 12-15 years of age. This class will prepare students for the Lifeguard Certification course. Students will learn basic first aid, proper entry techniques, and how to properly use a lifeguard tube. Students will also be challenged to swim 350 yards continuously and tread water for 3 minutes.

**Adaptive Aquatics** - This class is designed for children or young adults with any type of disability to learn how to swim and be comfortable in the water. Students will be challenged appropriately to their skill level and individual skills will be adapted to fit each student’s needs.

Lessons will be held rain or shine.

We will make every effort possible to run classes. On days with inclement weather, deck instruction will be held.
**SWIM LESSON SCHEDULE**

**FEE:** Resident $41.00  Non-resident $60.00

LIFEGUARD TRAINING
Learn how to effectively prevent and respond to water emergencies with the American Red Cross lifeguard training. This course is designed to arm you with the skills and knowledge to prepare for a variety of scenarios in and around the water. With our lifeguard training, you will learn how quick response times and effective preparation are vital to being a lifeguard while also understanding the crucial elements in helping to prevent drownings and injuries. Participants must be 15 years of age or older and successfully complete a series of tests before continuing the class. Instructed by Certified American Red Cross Instructor, Melissa Wagner.

Location: Family Aquatic Center
Days: Friday, Saturday, Sunday

**UNIQUE ACTIVITIES**

---

**Lime Kiln Park**

**Disc Golf Course**

2020 S. Green Bay Rd.

The park’s 9-hole golf course runs through and around trees, up and down hills, and along the Milwaukee River. The course offers a great opportunity to exercise or time to relax with friends or family.

It’s time for you to try disc golf... it may be the sport of your future!

Hole #1 tee pad is near the entrance to the park.

---

**Canoe/Kayak Launch**

Veterans Memorial Park, 1062 13th Avenue

Veterans Memorial Park now offers an ADA compliant canoe and kayak launch adjacent to the Riverwalk.

Personal canoes and kayaks must be carried to the launch.

---

**Eye Glass/ Hearing Aid Drop Off**

Donate your used eye glasses and hearing aids in the lobby of the Municipal Services Facility, 675 N. Green Bay Road.

---

**Adult Horseshoe League**

Organizational Meeting - Monday, May 4

First Game - May 11

Last Game - Last Monday before Labor Day

6:30 p.m. - 8:30 p.m.

Fee: $15.00 Resident

$21.00 Non-resident

Pre-registration is required. Please contact George Derler at 414-659-6959, prior to May 1.

---

**Dumpster Use**

The Village of Grafton provides a dumpster service to all Village of Grafton Residents.

*This service is only available on the FIRST and THIRD Friday in June, July, and August, from 7:00 - 10:00 a.m.*

Please check in at the Municipal Services Facility, 675 N. Green Bay Road.

All dumpster users will be charged $25.

---

**Special Needs Academy of Martial Arts**

Specialized training for children and adults with various special needs.

Grafton Parks and Recreation’s
Keep Grafton Clean Day

Saturday, May 9, 2020
10:00 a.m. - 12:00 p.m.

Rain or Shine

Meet at Lime Kiln Park, 2020 S. Green Bay Road at 10:00 a.m.
Assignments to various parts of the Village will be handed out.

All participants will receive a Free Day Pass to the Milwaukee County Zoo and the Grafton Family Aquatic Center!

Gloves and garbage bags provided.

THE VILLAGE OF GRAFTON THANKS YOU FOR YOUR PARTICIPATION!
The Giro d’ Grafton is a stop on the Tour of America’s Dairyland race series. The exciting six turn course has plenty to offer all racers and spectators. The 0.85 mile criterium runs through downtown Grafton with the start/finish line at the intersection of Beech Street and Wisconsin Avenue, amid a massive crowd of fans. The course includes six fast turns with a slight uphill coming out of turn two. The finishing stretch is long and flat leading into a great final sprint. Bring a blanket or chair and find a comfortable spot along the race course. Bring the family and expect a full day of thrilling races, great food, live music and big fun! Downtown Grafton will be abuzz with entertainment for all ages.

Watch for other special events around the Paramount Plaza!

For more information, visit www.grafton-wi.org.

The Village of Grafton Park System

Village of Grafton Park System

The Village owns 17 park and open space areas encompassing over 120 acres in size from the 1-acre Acorn Park to the 28-acre Lime Kiln Park. Each park and open space serves its own special purpose within the community. The following guidelines are followed in determining reserved usage:

- Reservations will not be accepted before January 1st. Exception: Park reservations for the Robert P. Zaun Pavilion will be accepted starting September 1 (or first business day following September 1) for the following calendar year.
- The rental fee is due at the time a reservation is made.
- Reservations are issued on a first come, first served basis.
- Town residents are considered non-residents for park usage.

Grafton Parks and Recreation Parent/Athlete Concussion Awareness Information

A concussion is a type of traumatic brain injury that changes the way the brain normally works. A concussion is caused by a bump, blow, or jolt to the head or body that causes the head and brain to move rapidly back and forth. Even a “ding,” “getting your bell rung,” or what seems to be a mild bump or blow to the head, can be serious.

WHAT ARE THE SYMPTOMS OF CONCUSSION?

Signs and symptoms of concussion can show up right after the injury or may not appear or be noticed until days or weeks after the injury. If an athlete reports one or more symptoms of concussion listed below after a bump, blow, or jolt to the head or body, s/he should be kept out of play the day of the injury and until a health care professional, experienced in evaluating for concussion, says s/he is symptom-free and it’s ok to return to play.

**CONCUSSION DANGER SIGNS**

In rare cases, a dangerous blood clot may form on the brain in a person with a concussion and crowd the brain against the skull. An athlete should receive immediate medical attention if after a bump, blow, or jolt to the head or body s/he exhibits any of the following danger signs:

- Convulsions, seizures, or slurred speech
- Cannot recognize people or places
- Becomes increasingly confused or agitated
- Has unusual behavior
- Loses consciousness for any amount of time
- One pupil larger than the other
- Is drowsy or cannot be awakened
- A headache that gets worse
- Weakness, numbness, or decreased coordination
- Repeated vomiting or nausea

**WHY SHOULD AN ATHLETE REPORT THEIR SYMPTOMS?**

If an athlete has a concussion, his/her brain needs time to heal. While an athlete’s brain is still healing s/he is much more likely to have another concussion. Repeat concussions can increase the time it takes to recover. In rare cases, repeat concussions in young athletes can result in brain swelling or permanent damage to their brain. They can even be fatal.

**WHAT SHOULD YOU DO IF YOU THINK YOUR ATHLETE HAS A CONCUSSION?**

If you suspect that an athlete has a concussion, remove the athlete from play and seek medical attention. Do not try to judge the severity of the injury yourself. Keep the athlete out of play the day of the injury and until a health care professional, experienced in evaluating for concussion, says s/he is symptom-free and is ok to return to play. Rest is key to helping an athlete recover from a concussion. Exercising or activities that involve a lot of concentration, such as studying, working on the computer, or playing video games, may cause concussion symptoms to reappear or get worse. After a concussion, returning to sports and school is a gradual process that should be carefully managed and monitored by a health care professional.

As a parent and as an athlete it is important to recognize the signs, symptoms, and behaviors of concussions. By signing the registration form you are stating that you understand the importance of recognizing and responding to the signs, symptoms, and behaviors of a concussion or head injury.

*This form has been reformatted from the Center of Disease Control’s Heads Up Concussion in Youth Sports Program. Please visit www.dcd.gov/concussion/HeadsUp/youth.html for more information.*
