

**GRAFTON**  
QUALITY LIFE. NATURALLY.

FOR IMMEDIATE RELEASE: March 20, 2020

The Village has been informed by representatives from Village Pointe Commons Senior Community and the Washington/Ozaukee County Health Department that a National Guard Medical Unit has been dispatched to Grafton. The Medical Unit's mission is specifically to assist with the healthcare needs of the Village Pointe Commons residents and to assist Staff with training.

The Health Department has confirmed an outbreak of the COVID-19 virus within the care facility. There are no indications of exposure to the outside community. We appreciate the National Guards' medical assistance with this matter and urge residents to take the CDC's recommendations to practice social distancing seriously. Avoid non-essential travel and stay home.

For more information to help stop the spread of COVID-19, visit [cdc.gov](https://www.cdc.gov) or [washozwi.gov](https://www.washozwi.gov).
