

# *Resources for our Local Businesses*

Grafton Area Chamber of Commerce offers a local point of contact to help businesses navigate this difficult time. It is, however, recommended that businesses reach out to their current financial institutions to discuss the options that are available.

Please take some time to check out this helpful [Small Business Guide and Checklist](#) prepared by the U.S. Chamber of Commerce. Don't hesitate to reach out to the [Grafton Area Chamber of Commerce](#) today!

Another great local resource is [Ozaukee Economic Development](#). OED can help answer questions and provide useful information for our local businesses.

Emergency declarations are forcing many small businesses to close. The [U.S. Small Business Administration](#) is offering guidance and loan information. Click on the picture or link above for more info.

The [Wisconsin Economic Development Corporation](#) is created a Small Business 20/20 program to help companies affected by the emergency declaration regarding the COVID-19 virus. Click on the picture or link above for more information.

If your job is being affected by the Coronavirus, help is available from the [Wisconsin Department of Workforce Development](#). Click on the picture or link above to find helpful links as well as answers to many of your questions.
