

Welcome to

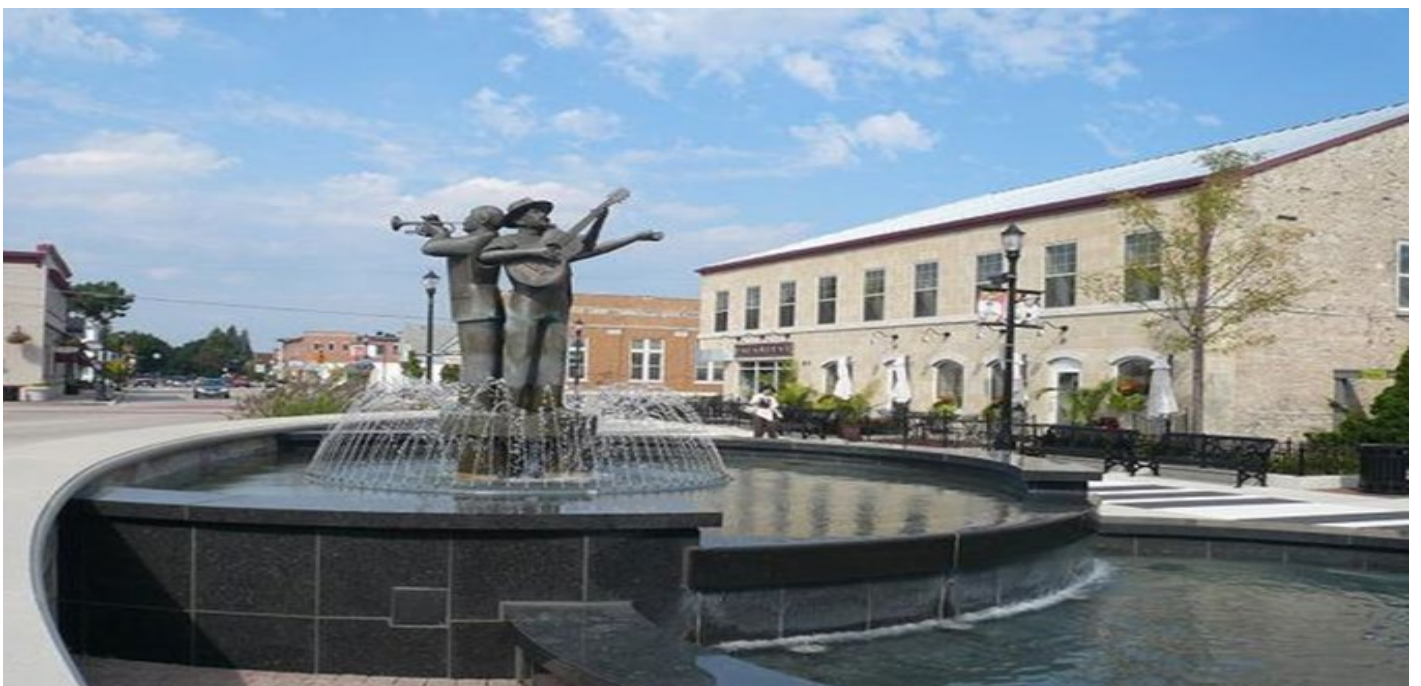

Grafton, Wisconsin

Opportunity Starts Here...

PICTURE YOUR BUSINESS IN A VIBRANT, suburban community - A Village where the economic environment is stronger than ever, professional services abound, and the local government is committed to helping you grow. Through thoughtful planning and a visionary partnership with the [Grafton Area Chamber of Commerce](#) and [Ozaukee Economic Development](#), the Village of Grafton has set a high priority on its economic development efforts. To date, those efforts have paid major dividends with the development of multiple national retail corridors, a regional medical facility, while maintaining and retaining small businesses and restaurants in our vibrant downtown.

When considering new locations, look no further than the Village of Grafton that offers close proximity to an international airport and direct access to interstate highways, enabling businesses to serve customers nationwide and attract employees from a wide labor pool.

Vibrant Community

The Village of Grafton is located in southeast Wisconsin, 20 minutes north of Milwaukee in Ozaukee County near the shore of beautiful Lake Michigan.

Home to 13,000 residents, Grafton is a full-service community that offers all the amenities of a large city yet has a warm and welcoming small-town charm. It is easy to find opportunities to engage in the community through recreational activities, volunteering, and nonprofit organizations.

Being in close proximity to the Milwaukee metropolitan area affords local businesses a substantial customer base!

Grafton is a community of varied industry including fabricated metal and plastic products, machinery, medical supplies, printing/publishing, as well as a myriad of other manufacturing operations. **This complementary mix of industry is proof that Grafton is “open for business.”**

Grafton offers a diverse array of stores, shops, and restaurants. More specifically, the Village of Grafton has three primary retail sectors that can accommodate all sizes and types of commercial establishments. **Interstate freeway frontage to quaint downtown sites are available.** Village staff is happy to assist with your search.

Education

Families can benefit from one of *Newsweek* magazine’s **top 20 high schools in the State and among the top 5% of public high schools nationwide.** Grafton’s K-12 school district students consistently score higher than state and national averages in standardized testing.

Continuing education opportunities are plentiful within a short distance of Grafton, including Milwaukee Area Technical College, UW-Milwaukee, Milwaukee School of Engineering, and Marquette University. The Village and School District can help connect new businesses with these organizations to develop programs that fit the needs of incoming businesses and ever-changing workforce demands.

Healthcare

From specialty clinics to a regional medical center, Grafton area residents and businesses have **around-the-clock access to many of the nation’s leading healthcare providers.**
